GOALS

To work as a Front-End developer on websites and web apps, in a company where I can be part of a team committed to delivering the best possible customer experience. And where I can keep learning.

WORK EXPERIENCE

SALES SPECIALIST / IBM

Feb 2009 – Jun 2011

Design and sales of IBM solutions to fulfill client's needs. System X servers, storage, maintenance, and IBM's software. An end-to-end process from understanding the client's needs to the final implementation of the project. Working with telephone, e-mail, and web contacts with Brazilian and international clients.

SALES SUPPORT / IBM

Sep 2007 – Feb 2009

Sales support to sellers and clients, proposal elaboration, documents verification, logistics. End-to-end sales process.

EDUCATION

FRONT-END WEB DEVELOPMENT / 2018 UDACITY NANODEGREE

The course is focused on building skills in Responsive design, HTML, CSS, JavaScript, Bootstrap, jQuery and version control with Git.

FINANCE ASSOCIATE DEGREE / 2016

UNIVERSIDADE ANHEMBI MORUMBI

Finance and financial management services

In its routine, the Technologist in Financial Management applies methods, techniques and economic-financial concepts in the decision-making processes, always starting from economic feasibility studies, with the objective of optimizing investments and fundraising.
